## Turn on the Plug Ins:

The screenshot shows the Holt McDougal website interface for 'Ancient Civilizations Through the Renaissance'. At the top, there is a navigation bar with 'HOLT McDUGAL' on the left and 'HOME | HOLT ONLINE LEARNING | HELP | LOGOUT' on the right. Below this is a search bar with 'Select a unit or chapter' and 'Select a section' dropdown menus, and a 'Go!' button. A secondary navigation bar contains tabs for 'Book Pages', 'eActivities', 'Audio', 'References', 'Student Resources', 'Teacher Resources', 'Premium Student', and 'Premium Teacher'. The main content area features a 'Welcome to Ancient Civilizations Through the Renaissance Online Edition' banner with an image of the textbook cover. Below the banner is a 'WHAT'S INCLUDED' section. To the right is a 'How To Get Started' section with two steps: 'Step 1. Select a chapter and a section.' and 'Step 2. Select a tab to view content related to that chapter and section.' Below this is a 'Plug Ins' section, which is circled in red. It states: 'You will need the following browser plug-ins to view the features on this site:' and lists four items with 'DOWNLOAD' buttons: 'Flash 10+', 'QuickTime 6.5.1+', 'Shockwave 8.5.1+', and 'Acrobat Reader 7+'. At the bottom, there are sections for 'Book Pages' and 'References'.
